### SIR THOMAS IMPROVING.

Physicians Believe That All Danger Has Passed.

Chicago, Sept. 19.—The condition of Sir Thomas Lipton was announced last night by his physicians to be entirely satisfactory and it is believed that all danger has passed, though the doctors say that it will be several days before they will be able to make that statement with entire confidence.

"We see no reason," said Dr. Thomas, "why Sir Thomas should not mend rapidly. All of the dangerous symptoms have subsided to almost nothing and while it is still too early to say that there is no danger whatever, we think that there is no doubt of his rapid recovery."

### CHARGE OF COUNTERFEITING.

Isa Kovegovitch Stole Bullion for Coinage Purposes.

Phillipsburg, Mont., Sept. 19.—Federal officers have made the discovery that silver bullion stolen about two months ago from the Granite Bimetallic mill was not taken to be sold, but to be coined. Isa Kovegovitch, arrested at the time of the robbery, is now held on the charge of being one of a gang of counterfeiters. In a barn at Drummond, where Kovegovitch was arrested, the officers have found an outfit for making silver dollars.

### REQUISITION PAPERS ISSUED.

Former Police Captain Hill Must Return to Minneapolis.

Janesville, Wis., Sept. 19.—Requisition papers were issued Friday afternoon for the return of Former Captain Hill of the Minneapolis police force, to Minnesota. Sheriff Drager of Minneapolis arrived late in the afternoon and will return with the prisoner.

### Dangerous Examples.

Mrs. Long (who recommended a servant)—Yes, she was an excellent girl in every way, except she would imitate me in dress and things like that.

Miss Short—Ah, yes. I noticed she began doing it when she came to me, but she's given it up now.

Mrs. Long—I'm glad to hear it. I expect she saw she was making herself ridiculous.

## WAR MAY BE AVERTED

MORE OPTIMISTIC FEELING PERVADES THE GOVERNMENT CIRCLES AT SOFIA.

### REPORTS ARE ENCOURAGING

POWERS SAID TO HAVE INTERVENED TO PREVENT MACEDONIAN MASSACRES.

Sofia, Bulgaria, Sept. 19.—A distinctly optimistic tone now pervades government and diplomatic circles here and hopes are again expressed that war may after all be averted.

From London and Constantinople encouraging news has been received. From London it is reported that the British government will send a fleet to Turkish waters, while reports from Constantinople say that Great Britain, France and Italy have intervened to prevent the continuance of massacres in Macedonia. It is said that Thursday the representatives of these powers advised the sultan of their dissatisfaction with the method of suppressing the outbreak and declared that the massacres must be stopped. It is said that they made special reference to the excesses committed by the Turkish troops in the vilayet of Uskub, where the revolutionary outbreak is insignificant and affords no excuse to the soldiers for pillaging and burning the villages and killing the inhabitants.

The porte is said to have replied that Turkey is simply carrying out the wishes expressed by the powers, which urge the sultan's government to adopt energetic measures to suppress the revolution as speedily as possible. The report that these powers have taken such action has been received with satisfaction by the Bulgarian ministry.

### Situation Improved.

The diplomatic corps also appear to be more relieved that Turkey has taken the news of Bulgaria's mobilization steps much more quietly than was anticipated. At the present moment the whole situation is regarded as being distinctly better than at any time for weeks past.

A special dispatch from Billa says several Bulgarian bands under Captain Stoyanoff attacked Melnik, province of Seres, sixty-five miles north-east of Salonica. Two regiments of infantry with cavalry and artillery in support, were sent from Djumala to relieve the garrison and they forced the insurgents to retire to the mountains, where they are pursued by the troops.

Desperate fighting is reported to be proceeding in a defile of the valley of the Struma, near Kresna, between Turkish troops and bands under General Zontcheff. Reinforcements of troops have been sent from Seres.

Nazir Pasha, Turkish commander at Monastir, is reported to have declared to the consuls there, "we have had one insurrection. It will be the last in this territory."

The young men's Christian union in Sofia has issued an appeal to the Christian unions in Europe and America, asking them to make Sept. 27 a day of general intercession on behalf of the Macedonians.

The Dnevnik, in publishing the news of Mr. Chamberlain's resignation, remarked that he always led the anti-Macedonian policy.

### BULGARIA REMAINS PASSIVE.

Awaiting Result of Meeting Between Czar and Austrian Emperor.

London, Sept. 19.—The situation in the Balkans undoubtedly occupies to some extent the imperial meeting at Vienna. The German chancellor, U. von Buelow, paid a visit lasting ninety minutes to the Austro-Hungarian premier, Count Goluchowski, yesterday. At the Bulgarian agency in Vienna, it was declared that under any circumstances Bulgaria would await the result of the meeting between Emperor Francis Joseph and the czar before taking any decisive step.

There is no diminution of the war apprehensions in Constantinople, where it is believed that war would already have broken out but that the concentration of Turkish troops at Adrianople upset the Bulgarian plans of a dash on Constantinople with a large army in the hope of avoiding a protracted campaign, which would operate in Turkey's favor.

The Turkish embassy in London is now daily issuing reports of successes over Bulgarian hands in various quarters.

Inquiries made by the Associated Press regarding the massacre of Kasoria tend to show that the number of killed has been exaggerated.

Dispatches from Athens report that Greece is cordoning her frontier with troops to prevent the incursion of Bulgarian refugees.

### REIGN OF TERROR EXISTS.

Turks Commit Terrible Atrocities in Monastir District.

London, Sept. 19.—As a result of the intervention of the British ambassador, the decree of expulsion has not been enforced against the Daily Mail's correspondent at Monastir, who, under the date of Sept. 16, telegraphed:

"A veritable reign of terror exists here. Suspected Christians vanish utterly, presumably to prison. Spies abound on every hand. The following

are some tales of atrocities which I have thoroughly authenticated:

"The Turks burned eighteen children to death in a baking oven at Pisco near Arnesko on Sept. 12. They massacred 200 women and children at Jervan in revenge for a defeat at the hands of the insurgents. Fifty women and children returning from the mountains to their devastated homes were murdered by soldiers. Between Sept. 10 and Sept. 12 the Bashibazouks destroyed four villages near Krushevo in the presence of Kaimakal, administrator of Krushevo, massacring and mutilating the inhabitants."

### IRRIGATION CONGRESS ENDS.

Senator Clark of Montana Again Elected President.

Ogden, Utah, Sept. 19.—The eleventh national irrigation congress came to an end late Friday afternoon. It re-elected Senator Clark of Montana president, and decided to hold the congress of 1904 in El Paso and adopted a platform which requested congress to make needed modifications of the existing land laws in order that speculation and monopoly of public domain be prevented. Over the adoption or rejection of the clauses of the majority report requesting that congress repeal the desert land act, the timber and stone act and the commutation clause of the homestead act, occurred a debate of four hours' duration.

Many delegates left for their homes last night. Several hundred will go on an excursion today through Cache Valley, viewing the state agricultural school at Logan and the great irrigation works of the Bear river valley.

After the re-election of President Clark, the following other officers were chosen: First vice president, L. W. Shurtliffe, Utah; second vice president, W. C. Johnston, Colorado; third vice president, John Hall, Texas; secretary, H. B. Maxson, Nevada.

The following executive committee members were chosen: Arizona, B. A. Fowler; California, C. B. Booth; Colorado, Gilbert McClurg; Idaho, F. B. Reed; Illinois, F. O. Tapping; Iowa, H. C. Wallace; Kansas, C. A. Schneider; Minnesota, Thomas Shaw; Missouri, J. W. Gregory; Montana, Herbert Strain; New Mexico, G. A. Richardson; North Dakota, D. E. Willard; Oregon, M. A. Wordy; Pennsylvania, J. A. Lightner; South Dakota, Wesley Stewart; Texas, J. A. Smith; Utah, Fred J. Ketsel; Washington, O. A. Fletcher; Wisconsin, Clarke Capen; Wyoming, Fennimore Chatterton.

### ROOSEVELT GUEST OF HONOR

Attends Annual Dinner of Sewanhaka Yacht Club.

Oyster Bay, Sept. 19.—President Roosevelt was the guest of honor last night at the annual dinner of the Sewanhaka-Corinthian Yacht club at its handsome and spacious home on Center island in Oyster bay. While many men prominently identified with yachting in the East were present and the dinner was a handsome and delightful affair, as a function it was not so elaborate as the dinner committee originally had planned.

The president gave the club to understand that he could not attend the dinner if it was to be made a great banquet with many invited guests outside of the club membership. It was intended to have among those in attendance Sir Thomas Lipton and members of his party now sojourning in this country and a large number of distinguished army and naval officers, all of whom were to be invited to meet the president. This plan did not meet the president's approval and the list of guests was curtailed. An invitation was sent to Sir Thomas Lipton, but he was unable to accept on account of illness and because of his engagements in the West.

### NO CONGRESS OF THE POWERS.

Proposed Meeting to Revise Rules of War Abandoned.

Paris, Sept. 19.—Unofficial but reliable information has been received to the effect that the proposed congress of the powers for the purpose of revising the Geneva convention of 1864 establishing the rights and treatment of prisoners of war, neutrals, wounded, etc., which was to have taken place shortly, will be probably indefinitely postponed. France, Great Britain, Italy, Austria and Russia named delegates, but Germany has not named a delegate, and it is understood she does not desire any change in the present status of prisoners, etc., during a state of belligerency. Therefore, in the absence of a general international acceptance of the proposal to revise the rules of war, the meeting of the congress has been practically given up.

### CRIME OF AN AGED MAN.

Kills His Son and Then Commits Suicide.

Norwalk, O., Sept. 19.—Samuel Thompson, eighty-eight years old, last night killed his son Leroy, fifty-eight years old, because the son left his wife two years ago. The father secreted himself in a barn and when the son came home shot him in the back. After making sure that the son was dead, the father went up in the loft of a barn and sent a bullet into his brain, holding the muzzle of the rifle in front of his face and pulling the trigger with a twig.

### SEQUEL TO SHOOTING AFFRAY.

Heavy Damages for Marriott in Suit Against T. H. Williams, Jr.

San Francisco, Sept. 19.—The jury in the damage suit of Frederick Marriott, against Thomas H. Williams, Jr., the millionaire racing man, brought in a verdict last night for \$15,780 in favor of Marriott, who was shot several months ago by Williams and Truxton Beale.

## POLITICAL SITUATION

LONDON PAPERS FILLED WITH DISCUSSIONS REGARDING THE CABINET CRISIS.

### NO FURTHER DEVELOPMENT

BOTH POLITICAL PARTIES BEGIN PREPARATIONS FOR THE COMING CAMPAIGN.

London, Sept. 19.—The newspapers this morning are crammed with discussions and speculations regarding the political situation brought about by the resignations of Mr. Chamberlain, Chancellor of the Exchequer, Ritchie and Lord George Hamilton, but no fresh development has yet been announced. The Marquis Lansdowne, regarding whose intentions there is the greatest interest, has gone to Balmoral to relieve Lord Balfour of Burleigh as the minister in attendance on the king. Both political parties have already commenced active preparations for the coming campaign and the opinion is sought of every man of prominence at home and in the colonies whose ideas are likely to have influence.

Mr. Asquith, who is by many regarded as the future leader of the Liberal party, telegraphed yesterday: "The situation in all its essentials is unchanged. The duty of the Liberals to defend free trade is as plain and urgent as before."

The opinion of the colonies is anxiously canvassed as being the most important factor in the situation. Sir Edmund Barton, premier of the Australian commonwealth, has declared in an interview that he is convinced that Mr. Chamberlain will ultimately triumph and that that triumph is achieved there will be no real union of the empire.

### Statement by Mr. Chamberlain.

Writing from his home at Highbury, Birmingham, Mr. Chamberlain Friday made his first public statement since his resignation. His letter is in reply to C. A. Pearson, chairman of the executive council of the Tariff Reform league, who asked if Mr. Chamberlain coincides with his view that the examination of the tariff may be considered as sufficiently advanced, and that the league should not use its resources to advocate the employment of a tariff for the purpose of consolidating and defending the resources of the empire and defending the industries of the United Kingdom. Mr. Chamberlain says:

"I agree with your views that we have sufficient material in the way of facts and figures. We have now to state our conclusions and endeavor to get the people to adopt them."

Mr. Chamberlain then gives his understanding of the position of the Tariff Reform league under two heads as coinciding with his position. Their objects, he says, are "first, a closer union to endeavor to make the empire self-sufficing as regards its food supply; second, the employment of a tariff as a weapon to secure greater reciprocity with foreign nations; or, failing, such arrangement to prevent loss to the home industrial market under the competition of protected countries by retaliating upon them the treatment they mete out to us."

"On this understanding as to our view," Mr. Chamberlain concludes, "I wish the league success and the support of everyone desiring the union of the empire and the continued prosperity of British commerce."

### INVITATION TO CHAMBERLAIN.

Former British Colonial Secretary Asked to Speak in Chicago.

Chicago, Sept. 19.—The first notable public address by the Right Hon. Joseph Chamberlain, following his resignation from the British cabinet, may be given an international character. Mr. Chamberlain coming to Chicago to deliver his views as the guest of the people of the United States. An invitation to him to do so has been forwarded through the department of state at Washington from the Illinois Manufacturers' association. A reply is being eagerly awaited to the following cable message which was forwarded last night by B. A. Eckhart and John M. Glenn, president and treasurer, respectively, of the Illinois Manufacturers' association, to Mr. Chamberlain:

"Earnestly hope your freedom from public duties will assure your acceptance of invitation of Illinois Manufacturers' association."

The invitation referred to was made public last night for the first time, and contains the following:

"The presentation of your views in Chicago will attract worldwide attention, cause wholesome discussion and result in a better understanding of the trade relationship between our respective countries."

### Over a Hundred Years Old.

St. Paul, Sept. 19.—"I am almost dead," said Rev. John Crapsey to his daughter yesterday morning, as he arose from the breakfast table and walked to his bed. And before he could reach him he expired. Rev. Mr. Crapsey had passed the third milestone beyond a century and probably was the oldest citizen in the state. He suffered no illness beyond the infirmities of age, and had not been confined to his bed.

Writing from his home at Highbury, Birmingham, Mr. Chamberlain Friday made his first public statement since his resignation. His letter is in reply to C. A. Mr. Chamberlain then gives his understanding of the position of the Tariff Reform league under two heads as coinciding with his position. Their objects, he says, are "first, a closer union to endeavor to make the empire self-sufficient as regards its food supply; second, the employment of a tariff as a weapon to secure greater reciprocity with foreign nations; or, failing, such arrangement to prevent loss to the home industrial market under the competition of protected countries by retaliating upon them the treatment they mete out to us."

"On this understanding as to our view," Mr. Chamberlain concludes, "I wish the league success and the support of everyone desiring the union of the empire and the continued prosperity of British commerce."

INVITATION TO CHAMBERLAIN.

Former British Colonial Secretary Asked to Speak in Chicago.

Chicago, Sept. 19.—The first notable public address by the Right Hon. Joseph Chamberlain, following his resignation from the British cabinet, may be given an international character. Mr. Chamberlain coming to Chicago to deliver his views as the guest of the people of the United States. An invitation to him to do so has been forwarded through the department of state at Washington from the Illinois Manufacturers' association. A reply is being eagerly awaited to the following cable message which was forwarded last night by B. A. Eckhart and John M. Glenn, president and treasurer, respectively, of the Illinois Manufacturers' association, to Mr. Chamberlain:

"Earnestly hope your freedom from public duties will assure your acceptance of invitation of Illinois Manufacturers' association."

The invitation referred to was made public last night for the first time, and contains the following:

"The presentation of your views in Chicago will attract worldwide attention, cause wholesome discussion and result in a better understanding of the trade relationship between our respective countries."

Over a Hundred Years Old.

St. Paul, Sept. 19.—"I am almost dead," said Rev. John Crapsey to his daughter yesterday morning, as he arose from the breakfast table and walked to his bed. And before she could reach him he expired. Rev. Mr. Crapsey had passed the third milestone beyond a century and probably was the oldest citizen in the state. He suffered no illness beyond the infirmities of age, and had not been confined to his bed.

## WHY HE SUPPORTS BOB DUNN.

A. B. Allen is the publisher of the Morton Enterprise, in which he runs a "Growler" column each week and in this column Mr. Allen gives the reason why he is a supporter of Bob Dunn in the following language and which will be appreciated by many of Mr. Dunn's Crow Wing county friends:

"The Growler does not generally talk anything that savors of politics in this column, but we were asked this week why we supported Bob Dunn for governor? Well, it's a long story and dates back a long time. In the first place the Growler is noted for his loyalty to men of character and brains. A good many years ago we were one of the appraisers of state and school land in Jackson county, and we did the work so satisfactory that four years later we were again appointed the second time. We were surprised to find the list of lands then doubled, and could not account for it until we visited the land, then we discovered that four years of Grover and democratic prosperity had hit the farmer below the belt, and we found many a poor struggling family on 40 or 80 acres that had been unable to pay tax or interest and the land had been ordered sold. Well, we talked with many of them, learned that their all was invested beside the many years of work, and now it was all to go because of their inability to borrow or sell.

When we got through we made our report, and then we wrote Bob Dunn a letter and we have wished many times lately that we had kept his reply as it was a characteristic letter with all of Dunn's emphatic exclamations and punctuations but the substance of it was, that not one single piece of land that we wrote about would be offered for sale, and to tell these farmers to be there on the day of sale, to bring with them what they could or nothing, the land would not be offered.

It was a letter that did us good and showed that a man could be a state official and still be in sympathy with those in poverty and distress and the state of Minnesota is full of evidence of the kindness of this man to the poor and struggling settler. Our friendship and admiration for sturdy old Bob Dunn commenced the day we got that letter and will end when we are laid away for good.

## The Private Recital.

Last evening Davis' hall was filled to its utmost capacity with guests who had gathered to listen to the private recital given by the music pupils of H. Ray Palmer, assisted by Miss Himerdinger. The pupils without exception did themselves and their teacher credit. Their work showed very careful training, in several cases the advancement in their work during the time they have been under Mr. Palmer's instruction was certainly remarkable. Miss Himerdinger gave three very difficult and classical selections in a very pleasing manner. After the program dainty refreshments were served. Altogether the evening was a very enjoyable one. The arrangements were complete in every particular and reflected much credit on Mr. Palmer.

Death's Heavy Hand.

There is a bond of sympathy and sorrow in death which serves to bring closer together not only individuals but communities also. This section of the state mourns the recent loss of a number of prominent citizens. John Waite, of Long Prairie; W. F. Street, of Bemidji; R. E. Davis, of Park Rapids; and Senator A. F. Ferris, of Brainerd, have recently passed to the great beyond, and their loss has been a public calamity. Now Wadena is bereft of one of her foremost citizens, Frank Wilson.—Wadena Tribune.

ternoon at the home of Mr. and Mrs. E.  
B. McCullough on Third street north  
and the officers were elected and other  
business appertaining to the organiza-  
tion was transacted. The purpose of  
the club is to meet each week, on Fri-  
days, to do sewing, the work thus ac-  
complished to be diverted to charitable  
purposes. It is said that the constitu-  
tion and by-laws of the new club are  
rather unique. There will be a penalty

secretary, Miss Kitty Walker.

The following are the charter mem-

Last night there was a meeting of the  
Brainerd Public Library board, when  
the plans of the new Carnegie library  
came up for consideration. They were  
discussed until nearly 11 o'clock and  
some changes were made, so that it will  
be necessary to send them back to Min-

This will take some little time and it  
is not thought that the board will be  
ready to advertise for bids for some days  
yet.

## CURES CATARRH.

"Hyomei the Most Wonderful Cure for  
Catarrh Ever Discovered," Says

H. P. Dunn & Co.

Do not try to cure catarrh by taking  
drugs into the stomach; it cannot be  
cured in that manner. The only way in  
which this too common disease can be  
cured is through a direct application  
that will kill the bacilli of catarrh and  
prevent their growth.

Hyomei is the only known method of  
treatment that accomplishes this. It is  
the simplest, most pleasant, and the  
only absolute cure for catarrh that has  
ever been discovered.

Thousands of unsolicited testimonials  
have been received from the most prom-  
inent men and women in the country  
who have been cured by this remark-  
able remedy. Ministers, bankers, law-  
yers, even eminent physicians have  
given strong testimonials as to the re-  
markable powers of Hyomei to cure  
catarrh.

The complete Hyomei outfit costs but  
\$1.00, consisting of an inhaler, dropper  
and sufficient Hyomei to last several  
weeks. This will effect a cure in ordi-  
nary cases, but for chronic and deep-seated  
cases of catarrh, longer use may be  
necessary, and then extra bottle of Hy-  
omei can be obtained for 50c. It is not  
alone the best (it might be called the  
only) method of curing catarrh, but it  
is also the most economical.

H. P. Dunn & Co. have so much con-  
fidence in the power of Hyomei to cure  
catarrh that they will for a limited time,  
sell this medicine under their personal  
guarantee to refund the money if the  
purchaser can say that it did not help  
them.

### "THE BATCHELOR MAIDS."

A new Club Organized by Young Society  
People of the City, With Novel  
Plans for the Future.

A new club has been organized by the  
young society ladies of this city to be  
known as "The Bachelor Maids."

The meeting was held yesterday af-  
ternoon at the home of Mr. and Mrs. E.  
B. McCullough on Third street north  
and the officers were elected and other  
business appertaining to the organiza-  
tion was transacted. The purpose of  
the club is to meet each week, on Fri-  
days, to do sewing, the work thus ac-  
complished to be diverted to charitable  
purposes. It is said that the constitu-  
tion and by-laws of the new club are  
rather unique. There will be a penalty  
for joining the matrimonial ranks.

The officers elected were: President,  
Miss Onolee McCullough; treasurer and  
secretary, Miss Kitty Walker.

The following are the charter mem-  
bers of the new society: Miss Onolee  
McCullough, Miss Kitty Walker, Miss  
Inez Jordan, Miss Clara Small, Miss  
Winnifred Smith, Miss Nellie Alderman,

### SPECIFICATIONS WERE CHANGED

And Have to be Forwarded Again to the  
Architect for His Approval—Meeting  
of Library Board.

Last night there was a meeting of the  
Brainerd Public Library board, when  
the plans of the new Carnegie library  
came up for consideration. They were  
discussed until nearly 11 o'clock and  
some changes were made, so that it will  
be necessary to send them back to Min-  
neapolis for the approval of Architect  
Church.

This will take some little time and it  
is not thought that the board will be  
ready to advertise for bids for some days  
yet.

### CURES CATARRH.

"Hyomei the Most Wonderful Cure for  
Catarrh Ever Discovered," Says

H. P. Dunn & Co.

Do not try to cure catarrh by taking  
drugs into the stomach; it cannot be  
cured in that manner. The only way in  
which this too common disease can be  
cured is through a direct application  
that will kill the bacilli of catarrh and  
prevent their growth.

Hyomei is the only known method of  
treatment that accomplishes this. It is  
the simplest, most pleasant, and the  
only absolute cure for catarrh that has  
ever been discovered.

Thousands of unsolicited testimonials  
have been received from the most prom-  
inent men and women in the country  
who have been cured by this remark-  
able remedy. Ministers, bankers, law-  
yers, even eminent physicians have  
given strong testimonials as to the re-  
markable powers of Hyomei to cure  
catarrh.

The complete Hyomei outfit costs but  
\$1.00, consisting of an inhaler, dropper  
and sufficient Hyomei to last several  
weeks. This will effect a cure in ordi-  
nary cases, but for chronic and deep-seated  
cases of catarrh, longer use may be  
necessary, and then extra bottle of Hy-  
omei can be obtained for 50c. It is not  
alone the best (it might be called the  
only) method of curing catarrh, but it  
is also the most economical.

H. P. Dunn & Co. have so much con-  
fidence in the power of Hyomei to cure  
catarrh that they will for a limited time,  
sell this medicine under their personal  
guarantee to refund the money if the  
purchasers can say that it did not help  
them.

John Hord Making Complaint Against Mike

Remmels for Selling Liquors to Minors  
and Case Came up Today.

A complaint was made yesterday  
against Mike Remmels, the Front street  
saloon keeper, by John Hord, charging  
him with selling liquor to a minor. It  
is claimed by Remmels that it is a piece  
of spite work; that he garnished the  
wages of the complainant some time ago  
and this is the way he is getting back  
at him. The case came up for a hear-  
ing this morning but it was continued  
for a week.

## RIVER RISES STEADILY

FLOOD SITUATION AT THE CITY  
OF LA CROSSE, WIS., HOURLY  
GROWING WORSE.

### INESTIMABLE DAMAGE DONE

GRAIN AND HAY DESTROYED.  
LIVE STOCK DROWNED AND  
HOUSES FLOODED.

La Crosse, Wis., Sept. 19.—Not for  
many years has the water been so  
high and destruction in this vicinity  
so great as now. Thousands of acres  
of farm lands along the river are sub-  
merged, stacks of hay and grain swept  
away, live stock in fields drowned and  
inestimable damage inflicted.

The flood has entered La Crosse and  
in the lower portion of the North Side  
fifty families have been forced to  
move out of their homes. The river  
has overflowed the Chicago, Milwan-  
kee and St. Paul tracks on the levee  
and goods are being moved out of the  
lower floors of a long row of whole-  
sale houses, which it is expected the  
water will enter by night.

The river is still rising a half an  
inch an hour and at noon the stage  
was 12.5, a half foot above the danger  
point.

Pettibone park, the handsome new  
\$150,000 pleasure ground, is entirely  
submerged.

The mill dam and part of the mill  
at Misha Mokuwa was washed away;  
at Mondovi both mill dams are out, a  
house and barn have been washed  
away and much live stock drowned.

Communication with the rural dis-  
tricts in this vicinity is entirely cut  
off owing to innumerable bridges be-  
ing washed out.

Three saw mills in this city have  
been forced to stop work and thou-  
sands of dollars' worth of lumber and  
wood piled up in the yards is in danger  
of being washed away.

The local weather observer predicts  
the river will rise nearly a foot more  
at this point.

### CROP OUTLOOK STILL GOOD.

Nothing Like the Shortage of Two  
Years Ago Indicated.

New York, Sept. 19.—Bradstreet's  
review of trade says conditions still  
display irregularity, but except where  
crop and weather developments have  
been distinctly unfavorable, the  
tendency is still to take a favorable  
view of the outlook for fall and winter  
trade. Heavy rains and killing frosts  
in the Northwest and in portions of  
the West, with drought followed by un-  
seasonably cool weather and destruc-  
tive wind and rain storms along the At-  
lantic coast have tended to retard ex-  
pansion in fall trade in wide sections  
of the country. All sections, however,  
have not been affected alike, the  
Northwest returning relatively the  
poorest reports as to current distribu-  
tion, while the Southwest and Pacific  
coast and portions of the South  
already report business good in pros-  
pect.

The outlook for crops is still a good  
one. Nothing in the nature of short-  
ages such as occurred in 1901 is indi-  
cated, and while trade opinion is prob-  
ably to the view that the boom is over  
in several industries, none the less the  
belief is maintained that a good aver-  
age fall and winter trade is in pros-  
pect.

### ROBBERY THE MOTIVE.

Mrs. Mary Spilka Murdered in Her  
Home at Chicago.

Chicago, Sept. 19.—Lying face  
downward in a pool of blood with her  
skull crushed in two places, the body  
of Mrs. Mary Spilka, forty-nine years  
old, was found last night in the attic  
of her home at 358 West Eighteenth  
street. Several feet from the body the  
police found a heavy bloody cobble-  
stone.

Further investigation proved that  
robbery was the motive for the crime,  
as the pocket of the woman's dress had  
been cut with a knife and more than  
\$200, representing the savings of many  
years, which she is known to have had  
in her possession, is missing.

The police arrested Lewis Pesant,  
a neighbor of the Spilka family. He  
denies all knowledge of the crime.

### WOUNDED THREE MEN.

Detective Hutchens of Evansville, Ind.,  
Then Commits Suicide.

Evansville, Ind., Sept. 19.—After fa-  
tally wounding Chief of Police Fred  
Heuke and Police Captain Brennecke  
and seriously injuring Councilman  
Frank Leutz, Detective Thomas Hutch-  
ens last night turned his revolver on  
himself and committed suicide.

The shooting was the result of an  
old feud between Brennecke and  
Hutchens. It occurred in the Tri-  
State fair grounds.

Neither Chief Heuke nor Captain  
Brennecke had an opportunity to de-  
fend themselves. It is thought Leutz  
was unintentionally shot, the bullet  
being intended for Policeman Crow.

### SECOND ANNUAL CONVENTION.

Upper Mississippi River Improvement  
Association to Meet in Iowa.

Quincy, Ill., Sept. 19.—Secretary  
Lewis B. Boswell of the Upper Missis-  
sippi River Improvement association  
has issued a call for the second an-  
nual convention of the association,  
which is to be held at Davenport, Ia.,  
on Oct. 21 and 22. Each river city and  
each commercial or trade organization  
is entitled to three delegates.

### Sunday Closing Law Upheld.

St. Paul, Sept. 19.—Judge Hine of  
the municipal court has upheld the  
constitutionality of the state law relat-  
ing to Sunday closing of stores. The  
point came up in the form of the case  
against P. J. Hoffman of this city, who  
was arrested twice for having his  
store open on Sunday.

### STORMED THE PALACE.

Mexican Mob Threatened Governor  
Terazas With Violence.

El Paso, Tex., Sept. 19.—At Chihuahua,  
Mex., during the independence  
day celebration on the evening of  
Sept. 14, Governor Terazas was hissed  
while making a speech and was  
threatened with personal violence.  
A mob stoned him, threw sticks  
and stones and smashed every window  
pane therein. The police were routed  
and one policeman beaten to death.

Scores of persons were injured and  
much property was damaged before  
the soldiers with fixed bayonets ap-  
peared and dispersed the rioters.  
More than 200 arrests were made. The  
mob took this method of showing their  
displeasure at the order recently issued  
by the governor suppressing all gam-  
bling within the jurisdiction of his state.

### FOR WORLD'S CHAMPIONSHIP.

Boston and Pittsburg to Play a Series  
of Games.

Boston, Sept. 19.—Manager Collins  
of the Boston American league team  
has been advised by the owner of the  
club, Henry Killilea of Milwaukee,  
that a series of nine games for the  
world's championship between Boston,  
champions of the American league,  
and Pittsburg, champions of the Na-  
tional league, has been arranged.

The series will begin in Boston  
about Oct. 1, and will consist of four  
games in each city, with a ninth game  
in Boston or at Pittsburg in case a tie  
results.

### MAKES A STRONG PROTEST.

Minister Powell Objects to Action of  
Dominican Government.

San Domingo, Republic of Santo Do-  
mingo, Sept. 19.—United States Minis-  
ter Powell has sent a strong protest  
to the Dominican government based  
on the following grounds:

That the action of the Dominican  
government in sending to congress a  
project for establishing the neutrality  
of Dominican waters and making cer-  
tain ports free, would (in view of the  
fact that San Domingo is a neighbor-  
ing state) not be accepted in a friend-  
ly spirit by the government of the  
United States.

That the United States government  
would not allow the establishment of  
any coaling ports in Santo Domingo  
or the cession of any portion of Santo  
Domingo territory to any European  
power.

That the United States will not per-  
mit any action to make exclusive use  
of Dominican waters in time of peace,  
much less in time of war. Nor could  
the United States allow any portion  
of Dominican territory to be classed  
as neutral, nor permit any section of  
the country to conflict with the con-  
cession granted to the Clyde line, ac-  
cording to which all vessels arriving  
from foreign ports are compelled to  
pay port dues, excepting the Clyde  
steamers.

The American protest has excited  
considerable comment. Minister Pow-  
ell, it is pointed out, seem to be de-  
termined to have the rights of Ameri-  
cans respected by the government of  
Dominica.

### APPEALS FOR HIS LIBERTY.

Captain Streeter Begins Action in Fed-  
eral Court.

Milwaukee, Wis., Sept. 19.—Captain  
George Wellington Streeter, who is serv-  
ing sentence for manslaughter in Chi-  
cago, proposes to make an appeal to  
the United States for a restoration to  
liberty. Judge J. W. D. Pierce of  
Chicago came to Milwaukee Friday  
and obtained a writ of habeas corpus  
from Judge Jenkins of the United  
States court ordering the Illinois au-  
thorities to produce the body of the  
prisoner in the United States circuit  
court and show cause why he should  
not be restored to liberty.

Streeter claims that the offense for  
which he stands convicted was not  
committed in the state of Illinois, and  
that, as a consequence, the state courts  
had no jurisdiction in the matter. The  
claim is based upon the alleged fact  
that Streeter was the owner of a boat  
which foundered off Chicago years ago.  
As the vessel settled to the bottom of  
the lake, near the shore, the decks  
were not covered and he stood by the  
ship and made it his dwelling place.  
In the course of time sand collected  
about the wreck, and it became an is-  
land out in the lake. While the island  
has since become attached to the main-  
land, Streeter and his attorney claim  
that it is not a part of the state of Il-  
linois, but is under the direct jurisdic-  
tion of the United States.

### TRACK WAS TOO HEAVY.

Dan Patch Fails to Lower His World's  
Record.

Readville, Mass., Sept. 19.—It seems  
probable that but for the slowness of  
the footing in the last 200 yards, the  
champion harness horse, Dan Patch,  
would have succeeded in his attempt  
Friday to lower his own record of a  
mile in 1:55, made at Brighton Beach  
a few weeks ago.

Paced by one runner, the quarter  
was made in 30 seconds, and the half  
in 59 1/4. From there on he had the  
benefit of two runners and reached the  
three-quarters in 1:29 1/4. The record  
then seemed to be trembling, but on  
getting into the stretch a heavy bit of  
track was experienced which tired the  
pacer so much that he reached the  
wire in two minutes flat.

### BANK PRESIDENT SUICIDES.

Poor Health Causes Edward H. Davis  
to Take His Own Life.

Harlan, Ia., Sept. 19.—Edward W.  
Davis, president of the Shelby County  
bank, committed suicide at night by  
shooting. His body was found early  
in the day in the furnace room of the  
bank building. Davis was once a  
member of the Iowa legislature from  
Pottawattomie county and was a  
prominent citizen. He disposed of  
most of his bank stock Wednesday,  
but his financial affairs are said to be  
in good condition. He was sixty  
years old and leaves a widow and two  
daughters. Ill health is thought to  
have prompted the deed.

### NINE PASSENGERS INJURED.

Monon Passenger Train Collides With  
Vandalia Freight.

Crawfordsville, Ind., Sept. 19.—Nine  
passengers were severely injured Fri-  
day at Crawfordsville Junction by the  
collision of a northbound Monon pass-  
enger train with a Vandalia freight  
train. The passenger train was pass-  
ing the crossing when a Vandalia  
freight crashed into it, overturning  
the smoking car and a day coach. The  
accident was caused by the failure of  
the air breaks on the freight.

Besides the severely injured, a num-  
ber of others were slightly bruised.  
All will recover.

Friday on the shore at Beach Haven  
and the hull of the Red Dragon came  
ashore at Harvey Cedars. Clubad

**RIVER RISES STEADILY**  
FLOOD SITUATION AT THE CITY  
OF LA CROSSE, WIS., HOURLY  
GROWING WORSE.  
**INESTIMABLE DAMAGE DONE**  
GRAIN AND HAY DESTROYED.  
LIVE STOCK DROWNED AND  
HOUSES FLOODED.

La Crosse, Wis., Sept. 19.—Not for  
many years has the water been so  
high and destruction in this vicinity  
so great as now. Thousands of acres  
of farm lands along the river are sub-  
merged, stacks of hay and grain swept  
away, live stock in fields drowned and  
inestimable damage inflicted.  
The flood has entered La Crosse and  
in the lower portion of the North Side  
fifty families have been forced to  
move out of their homes. The river  
has overflowed the Chicago, Milwaukee  
and St. Paul tracks on the levee and  
goods are being moved out of the  
lower floors of a long row of whole-  
sale houses, which it is expected the  
water will enter by night.

The river is still rising a half an  
inch an hour and at noon the stage  
was 12.5, a half foot above the danger  
point.  
Pettibone park, the handsome new  
\$150,000 pleasure ground, is entirely  
submerged.  
The mill dam and part of the mill  
at Misha Mokka were washed away;  
at Mondovi both mill dams are out, a  
house and barn have been washed  
away and much live stock drowned.  
Communication with the rural dis-  
tricts in this vicinity is entirely cut  
off owing to innumerable bridges be-  
ing washed out.  
Three saw mills in this city have  
been forced to stop work and thou-  
sands of dollars' worth of lumber and  
wood piled up in the yards is in danger  
of being washed away.  
The local weather observer predicts  
the river will rise nearly a foot more  
at this point.

**CROP OUTLOOK STILL GOOD.**  
Nothing Like the Shortage of Two  
Years Ago Indicated.

New York, Sept. 19.—Bradstreet's  
review of trade says conditions still  
display irregularity, but except where  
crop and weather developments have  
been distinctly unfavorable, the  
tendency is still to take a favorable  
view of the outlook for fall and winter  
trade. Heavy rains and killing frosts  
in the Northwest and in portions of  
the West, with drought followed by un-  
seasonably cool weather and destruc-  
tive wind and rain storms along the At-  
lantic coast have tended to retard ex-  
pansion in fall trade in wide sections  
of the country. All sections, however,  
have not been affected alike, the  
Northwest returning relatively the  
poorest reports as to current distribu-  
tion, while the Southwest and Pacific  
coast and portions of the South  
already report business good in pros-  
pect.

The outlook for crops is still a good  
one. In the nature of short-  
ages such as occurred in 1901 is indi-  
cated, and while trade opinion is prob-  
ably to the view that the boom is over  
in several industries, none the less the  
belief is maintained that a good aver-  
age fall and winter trade is in pros-  
pect.

**ROBBERY THE MOTIVE.**

Mrs. Mary Spilka Murdered in Her  
Home at Chicago.  
Chicago, Sept. 19.—Lying face  
downward in a pool of blood with her  
skull crushed in two places, the body  
of Mrs. Mary Spilka, forty-nine years  
old, was found last night in the attic  
of her home at 358 West Eighteenth  
street. Several feet from the body the  
police found a heavy bloody cobble-  
stone.

Further investigation proved that  
robbery was the motive for the crime,  
as the pocket of the woman's dress had  
been cut with a knife and more than  
\$200, representing the savings of many  
years, which she is known to have had  
in her possession, is missing.

The police arrested Lewis Pesant,  
a neighbor of the Spilka family. He  
denies all knowledge of the crime.

**WOUNDED THREE MEN.**

Detective Hutchens of Evansville, Ind.,  
Then Commits Suicide.

Evansville, Ind., Sept. 19.—After fa-  
tally wounding Chief of Police Fred  
Heuke and Police Captain Brennecke  
and seriously injuring Councilman  
Frank Leutz, Detective Thomas Hutch-  
ens last night turned his revolver on  
himself and committed suicide.  
The shooting was the result of an old  
feud between Brennecke and Hutch-  
ens. It occurred in the Tri-  
State fair grounds.

Neither Chief Heuke nor Captain  
Brennecke had an opportunity to de-  
fend themselves. It is thought Leutz  
was unintentionally shot, the bullet  
being intended for Policeman Crow.

**SECOND ANNUAL CONVENTION.**

Association to Meet in Iowa.

Quincy, Ill., Sept. 19.—Secretary

sippi River Improvement association

nual convention of the association,  
which is to be held at Davenport, Ia.,  
on Oct. 21 and 22. Each river city and

is entitled to three delegates.

**Sunday Closing Law Upheld.**

St. Paul, Sept. 19.—Judge Hine of  
the municipal court has upheld the  
constitutionality of the state law relat-  
ing to Sunday closing of stores. The  
point came up in the form of the case  
against P. J. Hoffman of this city, who  
was arrested twice for having his  
store open on Sunday.

**STORMED THE PALACE.**  
Mexican Mob Threatened Governor  
Terazas With Violence.  
El Paso, Tex., Sept. 19.—At Chihuahua,  
Mex., during the independence day  
celebration on the evening of  
Sept. 14, Governor Terazas was hissed  
while making a speech and was  
threatened with personal violence.  
A mob stoned his palace, threw sticks  
and stones and smashed every window  
pane therein. The police were routed  
and one policeman beaten to death.  
Scores of persons were injured and  
much property was damaged before  
the soldiers with fixed bayonets ap-  
peared and dispersed the rioters.  
More than 200 arrests were made. The  
mob took this method of showing their  
displeasure at the order recently issued  
by the governor suppressing all gam-  
bling within the jurisdiction of his state.

**FOR WORLD'S CHAMPIONSHIP.**  
Boston and Pittsburgh to Play a Series  
of Games.

Boston, Sept. 19.—Manager Collins  
of the Boston American league team

club, Henry Killilea of Milwaukee,  
that a series of nine games for the  
world's championship between Boston,  
champions of the American league,  
and Pittsburgh, champions of the Na-  
tional league, has been arranged.  
The series will begin in Boston  
about Oct. 1, and will consist of four  
games in each city, with a ninth game  
in Boston or at Pittsburgh in case a tie  
results.

**MAKES A STRONG PROTEST.**  
Minister Powell Objects to Action of  
Dominican Government.  
San Domingo, Republic of Santo Do-  
mingo, Sept. 19.—United States Min-  
ister Powell has sent a strong protest  
to the Dominican government based  
on the following grounds:  
That the action of the Dominican  
government in sending to congress a  
project for establishing the neutrality  
of Dominican waters and making cer-  
tain ports free, would (in view of the  
fact that San Domingo is a neighbor-  
ing state) not be accepted in a friend-  
ly spirit by the government of the  
United States.  
That the United States government  
would not allow the establishment of  
any coaling ports in Santo Domingo  
or the cession of any portion of Santo  
Domingo territory to any European  
power.  
That the United States will not per-  
mit any action to make exclusive use  
of Dominican waters in time of peace,  
much less in time of war. Nor could  
the United States allow any portion  
of Dominican territory to be classed  
as neutral, nor permit any section of  
the country to conflict with the con-  
cession granted to the Clyde line, ac-  
cording to which all vessels arriving  
from foreign ports are compelled to  
pay port dues, excepting the Clyde  
steamers.  
The American protest has excited  
considerable comment. Minister Pow-  
ell, it is pointed out, seem to be de-  
termined to have the rights of Ameri-  
cans respected by the government of  
Dominica.

**APPEALS FOR HIS LIBERTY.**  
Captain Streeter Begins Action in Fed-  
eral Court.  
Milwaukee, Wis., Sept. 19.—Captain  
George Wellington Streeter, the Chi-  
cago lake front squatter, who is serv-  
ing sentence for manslaughter in Chi-  
cago, proposes to make an appeal to  
the United States for a restoration to  
liberty. Judge J. W. D. Pierce of  
Chicago came to Milwaukee Friday  
and obtained a writ of habeas corpus  
from Judge Jenkins of the United  
States court ordering the Illinois au-  
thorities to produce the body of the  
prisoner in the United States circuit  
court and show cause why he should  
not be restored to liberty.  
Streeter claims that the offense for  
which he stands convicted was not  
committed in the state of Illinois, and  
that, as a consequence, the state courts  
had no jurisdiction in the matter. The  
claim is based upon the alleged fact  
that Streeter was the owner of a boat  
which foundered off Chicago years ago.  
As the vessel settled to the bottom of  
the lake, near the shore, the decks  
were not covered and he stood by the  
ship and made it his dwelling place.  
In the course of time sand collected  
about the wreck, and it became an is-  
land out in the lake. While the island  
has since become attached to the main-  
land, Streeter and his attorney claim  
that it is not a part of the state of Illi-  
nois, but is under the direct jurisdic-

**TRACK WAS TOO HEAVY.**

Dan Patch Fails to Lower His World's  
Record.

Readville, Mass., Sept. 19.—It seems  
probable that but for the slowness of  
the footing in the last 200 yards, the  
champion harness horse, Dan Patch,  
would have succeeded in his attempt  
Friday to lower his own record of a  
mile in 1:52, made at Brighton Beach  
a few weeks ago.

Paced by one runner, the quarter  
was made in 39 seconds, and the half  
in 59 1/4. From there on he had the  
benefit of two runners and reached the  
three-quarters in 1:29 1/4. The record  
then seemed to be trembling, but on  
getting into the stretch a heavy bit  
of track was experienced which tired the  
pacer so much that he reached the wire  
in two minutes flat.

**BANK PRESIDENT SUICIDES.**

Poor Health Causes Edward H. Davis  
to Take His Own Life.

Harlan, Ia., Sept. 19.—Edward W.  
Davis, president of the Shelby County  
bank, committed suicide at night by  
shooting. His body was found early  
in the day in the furnace room of the  
bank building. Davis was once a  
member of the Iowa legislature from  
Pottawattomie county and was a  
prominent citizen. He disposed of  
most of his bank stock Wednesday,  
but his financial affairs are said to be  
in good condition. He was sixty  
years old and leaves a widow and two  
daughters. Ill health is thought to  
have prompted the deed.

**NINE PASSENGERS INJURED.**

Monon Passenger Train Collides With  
Vandalia Freight.

Crawfordsville, Ind., Sept. 19.—Nine  
passengers were severely injured Fri-  
day at Crawfordsville Junction by the  
collision of a northbound Monon pas-  
senger train with a Vandalia freight  
train. The passenger train was pass-  
ing the crossing when a Vandalia freight  
train crashed into it, overturning  
the smoking car and a day coach. The  
accident was caused by the failure of  
the air brakes on the freight.

Besides the severely injured, a num-  
ber of others were slightly bruised.  
All will recover.

Friday on the shore at Beach Haven  
and the hull of the Red Dragon came

are looked after carefully and we  
use nothing in the water that will
